Staff Costs, Time, Money, Hassle

Welcome to the hassle-free world of **Send4Less®!**

Our complete leaflet mailing service starts from just 30p per item and includes enclosing, sealing, addressing and posting - all done quickly, efficiently and for 6p less than the price of a second class stamp.

Say goodbye to high postage and labour costs for good and join the hundreds of happy **Send4Less®** customers saving time and money by working with us to send out their mailshots, sales offers, statements, reminders and announcements. Simply send us your mailing insert and address data and we'll do the rest, passing the saving we make by buying our postage in bulk onto every single one of our clients.

Need a bit more? For an additional 2p per item we can laserprint, fold and enclose a personalised letter in your mailing. We can also help you with data cleansing, data purchasing and low cost email broadcasting.

A complete mailing package for just:

30p

- We supply envelopes
- We fold and enclose
- We mail out by 2nd class post
- You save money, time and hassle!

All for 6p less than the price of a stamp!

How does it work?

You simply send us your data and A5 leaflet. We will enclose your leaflet into an envelope, address the envelope and post it 2nd class for only 30p per item.

What's the catch?

That's the beauty, there isn't one! As long as your mailing item will fit into our envelopes and it all weighs under 100g, we'll address, stuff and mail them out for just **30p** per item. Minimum order charge: 500 items
